SEC. 1331 [42 U.S.C. 18051]. STATE FLEXIBILITY TO ESTABLISH BASIC HEALTH PROGRAMS FOR LOW-INCOME INDIVIDUALS NOT ELIGIBLE FOR MEDICAID.

(a) ESTABLISHMENT OF PROGRAM.—

(1) IN GENERAL.—The Secretary shall establish a basic health program meeting the requirements of this section under which a State may enter into contracts to offer 1 or more standard health plans providing at least the essential health benefits described in section 1302(b) to eligible individuals in lieu of offering such individuals coverage through an Exchange.

(2) CERTIFICATIONS AS TO BENEFIT COVERAGE AND COSTS.—Such program shall provide that a State may not establish a basic health program under this section unless the State establishes to the satisfaction of the Secretary, and the Secretary certifies, that—

(A) in the case of an eligible individual enrolled in a standard health plan offered through the program, the State provides—

(i) that the amount of the monthly premium an eligible individual is required to pay for coverage under the standard health plan for the individual and the individual's dependents does not exceed the amount of the monthly premium that the eligible individual would have been required to pay (in the rating area in which the individual resides) if the individual had enrolled in the applicable second lowest cost silver plan (as defined in section 36B(b)(3)(B) of the Internal Revenue Code of 1986) offered to the individual through an Exchange; and

(ii) that the cost-sharing an eligible individual is required to pay under the standard health plan does not exceed—

(I) the cost-sharing required under a platinum plan in the case of an eligible individual with household income not in excess of 150 percent of the poverty line for the size of the family involved; and

(II) the cost-sharing required under a gold plan in the case of an eligible individual not described in subclause (I); and

(B) the benefits provided under the standard health plans offered through the program cover at least the essential health benefits described in section 1302(b).

For purposes of subparagraph (A)(i), the amount of the monthly premium an individual is required to pay under either the standard health plan or the applicable second lowest cost silver plan shall be determined after reduction for any premium tax credits and cost-sharing reductions allowable with respect to either plan.

(b) STANDARD HEALTH PLAN.—In this section, the term "standard heath plan" means a health benefits plan that the State contracts with under this section—

(1) under which the only individuals eligible to enroll are eligible individuals;

(2) that provides at least the essential health benefits described in section 1302(b); and

(3) in the case of a plan that provides health insurance coverage offered by a health insurance issuer, that has a medical loss ratio of at least 85 percent.

(c) CONTRACTING PROCESS.—

(1) IN GENERAL.—A State basic health program shall establish a competitive process for entering into contracts with standard health plans under subsection (a), including negotiation of premiums and cost-sharing and negotiation of benefits in addition to the essential health benefits described in section 1302(b).

(2) SPECIFIC ITEMS TO BE CONSIDERED.—A State shall, as part of its competitive process under paragraph (1), include at least the following:

(A) INNOVATION.—Negotiation with offerors of a standard health plan for the inclusion of innovative features in the plan, including—

(i) care coordination and care management for enrollees, especially for those with chronic health conditions;

(ii) incentives for use of preventive services; and

(iii) the establishment of relationships between providers and patients that maximize patient involvement in health care decision-making, including providing incentives for appropriate utilization under the plan.

(B) HEALTH AND RESOURCE DIFFERENCES.—Consideration of, and the making of suitable allowances for, differences in health care needs of enrollees and differences in local availability of, and access to, health care providers. Nothing in this subparagraph shall be construed as allowing discrimination on the basis of pre-existing conditions or other health status-related factors.

(C) MANAGED CARE.—Contracting with managed care systems, or with systems that offer as many of the attributes of managed care as are feasible in the local health care market.

(D) PERFORMANCE MEASURES.—Establishing specific performance measures and standards for issuers of standard health plans that focus on quality of care and improved health outcomes, requiring such plans to report to the State with respect to the measures and standards, and making the performance and quality information available to enrollees in a useful form.

(3) ENHANCED AVAILABILITY.—

(A) MULTIPLE PLANS.—A State shall, to the maximum extent feasible, seek to make multiple standard health plans available to eligible individuals within a State to ensure individuals have a choice of such plans.

(B) REGIONAL COMPACTS.—A State may negotiate a regional compact with other States to include coverage of eligible individuals in all such States in agreements with issuers of standard health plans.

(4) COORDINATION WITH OTHER STATE PROGRAMS.—A State shall seek to coordinate the administration of, and provision of benefits under, its program under this section with the State medicaid program under title XIX of the Social Security Act, the State child health plan under title XXI of such Act, and other State-administered health programs to maximize the efficiency of such programs and to improve the continuity of care.

(d) TRANSFER OF FUNDS TO STATES.—

(1) IN GENERAL.—If the Secretary determines that a State electing the application of this section meets the requirements of the program established under subsection (a), the Secretary shall transfer to the State for each fiscal year for which 1 or more standard health plans are operating within the State the amount determined under paragraph (3).

(2) USE OF FUNDS.—A State shall establish a trust for the deposit of the amounts received under paragraph (1) and amounts in the trust fund shall only be used to reduce the premiums and cost-sharing of, or to provide additional benefits

for, eligible individuals enrolled in standard health plans within the State. Amounts in the trust fund, and expenditures of such amounts, shall not be included in determining the amount of any non-Federal funds for purposes of meeting any matching or expenditure requirement of any federally-funded program.

(A) SECRETARIAL DETERMINATION.—

(i) IN GENERAL.—[*As revised by section 10104(o)(1)*] The amount determined under this paragraph for any fiscal year is the amount the Secretary determines is equal to 95 percent of the premium tax credits under section 36B of the Internal Revenue Code of 1986, and the cost-sharing reductions under section 1402, that would have been provided for the fiscal year to eligible individuals enrolled in standard health plans in the State if such eligible individuals were allowed to enroll in qualified health plans through an Exchange established under this subtitle.

(ii) SPECIFIC REQUIREMENTS.—The Secretary shall make the determination under clause (i) on a per enrollee basis and shall take into account all relevant factors necessary to determine the value of the premium tax credits and cost-sharing reductions that would have been provided to eligible individuals described in clause (i), including the age and income of the enrollee, whether the enrollment is for self-only or family coverage, geographic differences in average spending for health care across rating areas, the health status of the enrollee for purposes of determining risk adjustment payments and reinsurance payments that would have been made if the enrollee had enrolled in a qualified health plan through an Exchange, and whether any reconciliation of the credit or cost-sharing reductions would have occurred if the enrollee had been so enrolled. This determination shall take into consideration the experience of other States with respect to participation in an Exchange and such credits and reductions provided to residents of the other States, with a special focus on enrollees with income below 200 percent of poverty.

(iii) CERTIFICATION.—The Chief Actuary of the Centers for Medicare & Medicaid Services, in consultation with the Office of Tax Analysis of the Department of the Treasury, shall certify whether the methodology used to make determinations under this subparagraph, and such determinations, meet the requirements of clause (ii). Such certifications shall be based on sufficient data from the State and from comparable States about their experience with programs created by this Act.

(B) CORRECTIONS.—The Secretary shall adjust the payment for any fiscal year to reflect any error in the de-

terminations under subparagraph (A) for any preceding fiscal year.

(4) APPLICATION OF SPECIAL RULES.—The provisions of section 1303 shall apply to a State basic health program, and to standard health plans offered through such program, in the same manner as such rules apply to qualified health plans.

(2) HIGH-RISK INDIVIDUAL; PAYMENT AMOUNTS.—The Secretary shall include the following in the provisions under paragraph (1):

The contribution amount for any plan year may be based on the percentage of revenue of each issuer and the total costs of providing benefits to enrollees in self-insured plans or on a specified amount per enrollee and may be required to be paid in advance or periodically throughout the plan year.

(B) SPECIFIC REQUIREMENTS.—The method under this paragraph shall be designed so that—

(i) the contribution amount for each issuer proportionally reflects each issuer's fully insured commercial

(ii) the contribution amount can include an additional amount to fund the administrative expenses of the applicable reinsurance entity;

(iii) the aggregate contribution amounts for all States shall, based on the best estimates of the NAIC and without regard to amounts described in clause (ii), equal $10,000,000,000 for plan years beginning in 2014, $6,000,000,000 for plan years beginning 2015, and $4,000,000,000 for plan years beginning in 2016; and

Nothing in this subparagraph shall be construed to preclude a State from collecting additional amounts from issuers on a voluntary basis.

(4) EXPENDITURE OF FUNDS.—The provisions under paragraph (1) shall provide that—

(A) the contribution amounts collected for any calendar year may be allocated and used in any of the three calendar years for which amounts are collected based on the reinsurance needs of a particular period or to reflect experience in a prior period; and

(B) amounts remaining unexpended as of December, 2016, may be used to make payments under any reinsurance program of a State in the individual market in effect in the 2-year period beginning on January 1, 2017.

Notwithstanding the preceding sentence, any contribution amounts described in paragraph (3)(B)(iv) shall be deposited into the general fund of the Treasury of the United States and may not be used for the program established under this section.

(2) the issuer shall reduce the cost-sharing under the plan at the level and in the manner specified in subsection (c).

(b) ELIGIBLE INSURED.—In this section, the term "eligible insured" means an individual—

(1) who enrolls in a qualified health plan in the silver level of coverage in the individual market offered through an Exchange; and

(2) whose household income exceeds 100 percent but does not exceed 400 percent of the poverty line for a family of the size involved.

In the case of an individual described in section 36B(c)(1)(B) of the Internal Revenue Code of 1986, the individual shall be treated as having household income equal to 100 percent for purposes of applying this section.

(c) DETERMINATION OF REDUCTION IN COST-SHARING.—

(1) REDUCTION IN OUT-OF-POCKET LIMIT.—

(A) IN GENERAL.—The reduction in cost-sharing under this subsection shall first be achieved by reducing the applicable out-of pocket limit under section 1302(c)(1) in the case of—

(i) IN GENERAL.—The Secretary shall ensure the reduction under this paragraph shall not result in an

increase in the plan's share of the total allowed costs of benefits provided under the plan above—

(I) 94 percent in the case of an eligible insured described in paragraph (2)(A); [*As revised by section 1001(b)(1)(A) of HCERA*]

(II) 87 percent in the case of an eligible insured described in paragraph (2)(B);

(2) ADDITIONAL REDUCTION FOR LOWER INCOME INSUREDS.—The Secretary shall establish procedures under which the issuer of a qualified health plan to which this section applies shall further reduce cost-sharing under the plan in a manner sufficient to—

(A) in the case of an eligible insured whose household income is not less than 100 percent but not more than 150 percent of the poverty line for a family of the size involved, increase the plan's share of the total allowed costs of benefits provided under the plan to 94 percent of such costs; [*As revised by section 1001(a)(2)(A) of HCERA*]

(B) in the case of an eligible insured whose household income is more than 150 percent but not more than 200 percent of the poverty line for a family of the size involved, increase the plan's share of the total allowed costs of benefits provided under the plan to 87 percent of such costs; and [*As revised by section 1001(a)(2)(B) of HCERA*]

[*As added by section 1001(a)(2)(C) of HCERA*]

(3) METHODS FOR REDUCING COST-SHARING.—

(A) IN GENERAL.—An issuer of a qualified health plan making reductions under this subsection shall notify the Secretary of such reductions and the Secretary shall make periodic and timely payments to the issuer equal to the value of the reductions.

(B) CAPITATED PAYMENTS.—The Secretary may establish a capitated payment system to carry out the payment of cost-sharing reductions under this section. Any such sys-

tem shall take into account the value of the reductions and make appropriate risk adjustments to such payments.

(4) ADDITIONAL BENEFITS.—If a qualified health plan under section 1302(b)(5) offers benefits in addition to the essential health benefits required to be provided by the plan, or a State requires a qualified health plan under section 1311(d)(3)(B) to cover benefits in addition to the essential health benefits required to be provided by the plan, the reductions in cost-sharing under this section shall not apply to such additional benefits.

(5) SPECIAL RULE FOR PEDIATRIC DENTAL PLANS.—If an individual enrolls in both a qualified health plan and a plan described in section 1311(d)(2)(B)(ii)(I) for any plan year, subsection (a) shall not apply to that portion of any reduction in cost-sharing under subsection (c) that (under regulations prescribed by the Secretary) is properly allocable to pediatric dental benefits which are included in the essential health benefits required to be provided by a qualified health plan under section 1302(b)(1)(J).

(d) SPECIAL RULES FOR INDIANS.—

(1) INDIANS UNDER 300 PERCENT OF POVERTY.—If an individual enrolled in any qualified health plan in the individual market through an Exchange is an Indian (as defined in section 4(d) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b(d))) whose household income is not more than 300 percent of the poverty line for a family of the size involved, then, for purposes of this section—

(A) such individual shall be treated as an eligible insured; and

(2) ITEMS OR SERVICES FURNISHED THROUGH INDIAN HEALTH PROVIDERS.—If an Indian (as so defined) enrolled in a qualified health plan is furnished an item or service directly by the Indian Health Service, an Indian Tribe, Tribal Organization, or Urban Indian Organization or through referral under contract health services—

(A) no cost-sharing under the plan shall be imposed under the plan for such item or service; and

(B) the issuer of the plan shall not reduce the payment to any such entity for such item or service by the amount of any cost-sharing that would be due from the Indian but for subparagraph (A).

(3) PAYMENT.—The Secretary shall pay to the issuer of a qualified health plan the amount necessary to reflect the increase in actuarial value of the plan required by reason of this subsection.

(e) RULES FOR INDIVIDUALS NOT LAWFULLY PRESENT.—

(1) IN GENERAL.—If an individual who is an eligible insured is not lawfully present—

(3) SECRETARIAL AUTHORITY.—The Secretary, in consultation with the Secretary of the Treasury, shall prescribe rules setting forth the methods by which calculations of family size and household income are made for purposes of this subsection. Such rules shall be designed to ensure that the least burden is placed on individuals enrolling in qualified health plans through an Exchange and taxpayers eligible for the credit allowable under this section.

(f) DEFINITIONS AND SPECIAL RULES.—In this section:

(1) IN GENERAL.—Any term used in this section which is also used in section 36B of the Internal Revenue Code of 1986 shall have the meaning given such term by such section.

(2) LIMITATIONS ON REDUCTION.—No cost-sharing reduction shall be allowed under this section with respect to coverage for any month unless the month is a coverage month with respect to which a credit is allowed to the insured (or an applicable taxpayer on behalf of the insured) under section 36B of such Code.

(3) DATA USED FOR ELIGIBILITY.—Any determination under this section shall be made on the basis of the taxable year for which the advance determination is made under section 1412 and not the taxable year for which the credit under section 36B of such Code is allowed.
